2022 NEW COLLECTION

THE CORE COMPANY VALUES

DAC is a name who provide better life for people at home and office. Founded in India in 2017, DAC is now a well-established and equipped manufacturer of durable, affordable, comfortable and well-designed products and solutions for every room in your home, office and institutions. Our values and culture reflects INDIAN roots coming from eastern UP famously known as PURVANCHAL. People living here are hard-working, talented and creative, these aspects are translated into DAC values which form the basics of DAC culture.

Shopping at DAC is unlike than your shopping at any other store. It is about experiencing the furniture according to your need. You can make feel yourself at home in our illustrated room settings in the store which we have created beautifully for you. So you can imagine that how your room will look like after placement of DAC furniture in their rooms. You can feel the upholsteries quality, feel the comfort, try the sofa beds and open the cabinets to feel the quality. On the product tag you can find all you need to know about the product by product summary.
